

## LOCAL RECORD.

## UNION COUNTY TICKET.

For Representative,  
JOHN A. MOORMAN.  
For Prosecutor,

For Sheriff,  
A. H. JENKINS.

For Treasurer,  
ELIAS F. HALLIDAY.

For Commissioner,  
ARTHUR McKEW.

For Assessor of White River Twp.,  
WILLIAM MILLER.

We are authorized to announce the name of JESSE WAY, Sen., as a candidate for ASSESSOR of White River Township.

Those who were taken prisoners and paroled in Capt. Bonebrake's Company have returned home, with the exception of the severely wounded, who were left in private houses at Richmond, Ky. Lieut. John K. Martin, who fought bravely until severely wounded, is still in Richmond. His wound is a severe one, but the returned boys think he will recover. Orderly Charlie Stine, the last officer who commanded the company is also severely wounded and still at Richmond with Lieut. Martin. From all reports, there has never been better fighting done, even by disciplined troops than the Randolph boys did for eight hours. Lieuts. Martin and Way and Orderly Stine are much praised by the boys for their daring courage on the field. But two of the companies are known to be killed, viz: Mr. —— Yarnell and a Mr. Robinson, whose family—a wife and five children—resides in this place. Peace to their memory.

The 84th Regiment has gone to Cincinnati. We hope this regiment is not to be cut to pieces and scattered all over the country as the 69th was.

Captain John Ross, of Huntsville, was not killed in the Richmond fight. He is now at home, and well. We are glad it was a mistake; we can ill afford to lose so good a soldier. Read what Colonel Korff, who commanded the 69th, says of him in his report of the battle near Richmond, Kentucky:

The 154th and 13th Tennessee made the first attack on our left flank; while the three companies, A, F and D, Capt. Ross, on the extreme right of the army, were engaged successfully as skirmishers against sharpshooters and artillery. Captain Ross, Co. D, drove the rebel artillery twice from their position."

Show Coming.—Robinson & Lake's Circus and Menagerie Combined is coming, and will exhibit under one large waterproof pavillion in Winchester on Thursday, Sept. 18th.

Enos L. Watson, Arthur McKew and Rufus K. Mills have been appointed Assistant Assessors for Randolph County under the Internal Revenue Act. Good appointments.

The many warm friends of Isaac P. Gray, Esq., of Union City, will be gratified to learn of his appointment to the Colonelcy of the —— regiment of Cavalry. He is one of our best men, and will make a good officer.

The work of bouldering the gutters and paving the sidewalks, has been commenced on Main Street, under the supervision of the Street Commissioner.

The "Disorganizers" met at Cambridge City on the 4th inst., and, upon the authority of eleven (!) townships out of sixty-six, nominated Colonel William A. Bickle a candidate for Congress. Randolph and Union Counties had no representation whatever in this bogus Convention. Dave Kilgore and Mathy ar Hull were the orators of the day. More of the patriotic, military Bickle hereafter.

All the returned soldiers of Capt. Bonebrake's Company that we have conversed with speak in the highest terms of the courage and bravery displayed by Lieuts. Martin and Way and Orderly Sergeant Stine in the Richmond battle. We have no doubt these officers could speak in the same high terms of those under their command. The Winchester Company was one of the very last to surrender. Brave boys, they have done their duty well and nobly.

The Delaware County Agricultural Society will hold its next annual Fair on the 24th, 25th, 26th and 27th days of the present month. It is open to the world. Large premiums are offered.

Capt. Farra's Company of three months' men have returned home, their time of service having expired. We understand the company will be re-organized. The Captain is looking as well and hearty as ever, notwithstanding his running all over Kentucky after John Morgan.

Lieut. A. J. Neff, of Capt. Carter's Company, has been promoted to be Major of the 84th. This will be good news to Mr. Neff's friends. He is well qualified for the position, and will make an able officer.

An interesting letter from Capt. Hamilton may be found in another column.

Lieut. J. Stewart Way is still in Louisville with a portion of the Randolph boys who escaped being taken prisoners at Richmond.

The Randolph boys who were taken prisoners and paroled are to report at Indianapolis next week. They will probably be kept at Camp Morton until exchanged.

Sweet potatoes have made their appearance in our market.

Circuit Court convenes next Monday.

ANOTHER COMPANY FROM JAY.—About 6 o'clock last Monday evening another company of volunteers from Jay County made their appearance in Winchester, accompanied by martial music. That night they were well cared for by our citizens, and on the next morning proceeded to Camp Wabash.
